Running the tests....
=====
Enter two numbers:198 48
The greatest common divisor of the inputs is 6
Enter two positive numbers that must be at most 4 digits:1256 8734
-----Addition Operation-----
  1256
  8734
+
-----
 9990
Enter two positive numbers that must be at most 3 digits:524 23
-----Multiplication Operation-----
  524
   23
*
-----
 1572
 1048
+
-----
12052
Enter an integer between 1-10:5
The integer you entered is less than or equal to 5
=====
Completed tests....
